Please find below and/or attached an Office communication concerning this application or proceeding.

*Information Disclosure Statement*

Attached is an updated copy of the Information Disclosure Statement filed February 27, 2004. Because applicant provided an English language abstract, Japanese reference 50-22072 has been considered. Note that because the document was scanned with the reference lined-through, the reference has been added to the lower portion under the list of foreign patent documents.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gary Hartmann whose telephone number is 703-305-4549. The examiner can normally be reached on Monday through Friday, 9am-6pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thomas Will can be reached on 703-308-3870. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
